#### QUESTIONS

1 - What common things have you seen people in your settings struggling with? Explore the idea from Ephesians 3:19 that we can be *made complete with all the fullness and power that comes from God*. What does it mean to you to be *fireproof*?

2 - When has God spoken to you about something he wants you to do? How did he speak and what did he say? Have you eagerly followed through on what he asked, finishing what you started? If you have not, what is preventing you? Does 2 Corinthians 8:12 help you?
