LESSON: IN PURSUIT OF WISDOM

THE POINT

Discover where you can find wisdom to navigate life.

QUOTES

If you need wisdom, ask our generous God, and he will give it to you.

James 1:5 (NLT)

TO-DO

Write down the names of the people you have had conflict with in the last 6 months. Prayerfully consider how wisdom, expressed through gentleness, may have helped or improved those relationships. How did you honor those individuals? Remain focused on the part YOU played. How will you grow in godly wisdom from those experiences?

Read:
James 3:13-18

QUESTIONS

1 - What or who is your primary source (God, people, books, media resources) of wisdom? Do you have other good sources of wisdom? How do your sources help you with holy living, gentleness, and honour for others?

2 - Read the passage in James 3:13-18 that speaks to what wisdom is, and what it is not. You may want to read it several times and in different Bible translations. What stands out to you? How would you summarize "wisdom" after reading this passage?
