LESSON: A GENEROUS MONEY MINDSET

THE POINT

Jesus teaches us an uncommon way to think about money.

QUOTES

I want you to excel
also in this gracious
act of giving.

2 Corinthians 8:7 (NLT)

TO-DO

Look at your budget. How much of your income do you give away to charity and to help others? Is it the amount you would like to give away? Ask God what he thinks about your giving and make any changes he invites you to make. Prayerfully consider giving to a need this week, in an unexpected way. If you are the one in need, receive it with thanks!

Read:
Matthew 6:1-2,4
Luke 8:1-3
2 Corinthians 8:7

QUESTIONS

- 1 - Were you surprised to learn that people who give to charity tend to be healthier and happier than others? Is this your observation and experience?
- 2 - Were you surprised that Jesus ministered, preaching and teaching by receiving the support of local women (Luke 8:1-3)? How are you receiving and/or giving support in ministry or to the poor?
- 3 - What cultural messages conflict with the values for giving in this session?
