Seven Session Journey

LESSON: A RELATIONAL JOURNEY

THE POINT

Learn from the past, improve your present relationships, and leave a lasting legacy.

QUOTES

Those who don't know history are doomed to repeat it.

Edmund Burke
British Statesman

TO-DO

Watch the "Genogram" video and follow the instructions to create your genogram. Insert all of the information that you know and can find out.

What healthy patterns do you see? What unhealthy patterns are obvious? Prayerfully anticipate our next session, where we'll find out what to do with our histories.

Read:
Genesis 12:10-15; 20:1-2; 26:1,7

QUESTIONS

- 1 - What ancestor or family member are you most like? What specific family trait from that person has most obviously been passed on to you?
- 2 - Read Exodus 34:7 and contrast God's unfailing love and forgiveness with his warning of the generational effects of sin. Is this verse hopeful or discouraging for you?
- 3 - What legacy do you want to pass on to your children, grandchildren, or those you influence? Are you laying the foundation for that legacy in the choices you are making now? How does God's promise in 1 Corinthians 10:13 help us?
