

---

Step by Step Early Intervention Society is a charitable organization providing exceptional early childhood education, therapeutic and family supports for developmentally delayed and disabled children and their families.

---

## Our Values

**Inclusion** – We foster an environment where all people and abilities are valued

**Acceptance** – We acknowledge each journey is unique and support every family with empathy and compassion

**Integrity** – We build our community on the foundations of respect, honesty and accountability

**Expertise** – We engage accredited professionals to infuse industry best practices and experience into all aspects of our programming

**Heart** – We provide services with care, considering the needs of the whole family as we walk alongside
