| 12:00 p.m. to 1:00 p.m. | BC Municipalities and the United Nations Declaration on the Rights of Indigenous Peoples Description: As of May 2016, Canada became a full supporter, without qualification of the United Nations Declaration on the Rights of Indigenous Peoples(the Declaration). What does that mean and how does it affect how municipalities consult and accommodate Indigenous Peoples? What are the legal and policy issues around adopting the Declaration in Canada? Keynote Speaker: Bob Joseph, Author, Founder, and CEO of Indigenous Corporate Training Session Chair: Paul Albrecht, Director at Large of the Lower Mainland LGA and Councillor at Langley City |
| 1:00 p.m. to 1:15 p.m. | Break |
| 1:15 p.m. to 2:15 p.m. | Addressing the Overdose Crisis Together Through Treatment, Safe Supply, Harm Reduction and Decriminalization Description: Faced with an ongoing overdose crisis in BC, local governments, public health experts, non-profit organizations, and people who use drugs are calling for the provision of a safer, regulated supply of opioids to replace the toxic, illegal and unpredictable street supply. The purpose of this session is to hear from Vancouver Coastal Health Chief Medical Health Officer, Dr. Patty Daly, drug policy expert Donald MacPherson, Vancouver Mayor Kennedy Stewart and the Executive Director of Squamish Helping Hands, Maureen Mackell about ongoing efforts to advance a safer supply of opioids. This session will explore public health approaches to substance use, and the unique roles that municipalities can play in drug policy reform. |

Bonus Pre-taped Sessions to Watch Anytime

| | |
|------------------|---|
| <p>On Demand</p> | <p>Asset Management 101 and Beyond</p> <p>Presenter: Christina Benty, Strategic Leadership Solutions</p> <p>The job of local elected officials is to provide stewardship and governance over the organization that provides your community with safe, sustainable, secure services in a predictable, cost effective manner NO MATTER WHAT SITUATION, CHALLENGE, OR GLOBAL CRISIS ARISES. Asset management is the process that provides critical information on the costs, service levels and risks associated with delivering infrastructure services. It helps us answer the question, what do we want and more importantly, what are we willing to pay for?</p> |
| <p>On Demand</p> | <p>Issues for the Post Pandemic Workplace</p> <p>Presenters: Carolyn MacEachern, Partner, Young Anderson S. Michelle Blendell, Associate, Young Anderson Pam Constanzo, Associate, Young Anderson</p> <p>With an end to the pandemic on the horizon, it is time for employers to start planning for the post pandemic workplace. This presentation will address issues such as:</p> <ul style="list-style-type: none"> • What to do if employers do not want to return to the workplace and want to continue working from home; • How to respond if employees refuse to be vaccinated; • How to respond to employees with difficulties finding appropriate childcare |
