MIABC

Associate
Member
Program

MIABC members can now apply for liability coverage for individuals, groups and associations that provide services for, or on behalf of, our members, upon request of an MIABC member, up to a limit of \$5,000,000.

These individuals, groups and associations must be individually sponsored by a member in order to qualify for "associate member" status. Once accepted as an associate member, these parties will be entitled to full coverage under the Liability Protection Agreement, but only for services provided for, or on behalf of, the sponsoring member.

..these parties will be entitled to full coverage under the Liability Protection Agreement

Liability coverage is now available for local government service providers

In order to qualify as an associate member:

- The associate member must be sponsored by an existing MIABC member;
- The sponsoring member has a written agreement for the provision of services with the associate member (the "Service Provider Agreement");
- The services provided are services to the community provided for, or on behalf of, the sponsoring member;
- The Service Provider Agreement has been approved by the sponsoring member's council or board by resolution or bylaw; and
- The MIABC has received payment of a premium on behalf of the associate member.

It is important to understand that the sponsoring member's deductible will apply to claims brought against the associate member and the sponsoring member will be responsible for the payment of any costs incurred below the deductible. In addition, all claims brought against the associate member will form part of the sponsoring member's claims history and experience rating.
