### ★ APPLICATION TIME

#### RED LIGHT, GREEN LIGHT (Application Activity)

**Supplies:** None

**Directions:** Encourage everyone to perform the actions listed below one at a time. When you say, “Green light,” everyone may begin performing the action. When you say, “Red light,” they must immediately freeze in place and say **“God always keeps His promises.”** Then they must wait until you say, “Green light” to continue performing the action again. Perform the same action for about a minute before moving on to the next one. As the game progresses, make everyone wait longer and longer before giving them the green light again.

- Jumping jacks
- Running in place
- Hop on one foot
- Silly dance
- Walk like a chicken
- Hop like a frog

**Say:** During our game, you had to be patient and wait for me to say, “Green light.” Sometimes waiting can be hard. In our story for today, Abraham and Sarah had to wait 25 years for God’s promise to come true. That’s a LONG time! But Abraham and Sarah were patient and God finally gave them a baby boy. Sometimes we have to be patient and wait for God’s promises to come true, but they ALWAYS come true. That’s because **God always keeps His promises.**

**Question:** Do you think it was easy or hard for Abraham and Sarah to wait for God’s promise to come true? Why do you think that?

**Question:** Do you think you could wait that long for God’s promise to come true?

### ★ PRAYER TIME

Begin by asking if anyone would like to pray. Allow the opportunity to do so. When finished, close the prayer by thanking God for keeping his promises to us!

Dear God,  
Thank you for always keeping your promises.  
Even when it seems impossible.  
We love you so much, God!  
Amen.
