### ★ APPLICATION ACTIVITIES

#### PLAGUE PICTURE PAGE

Review all the plagues in our story by filling in the blanks on the plague picture page. Use the questions below for conversation starters after you have filled in all the blanks.

**Question:** Can anyone tell me what a plague is?

**Question:** In your opinion, which is the grossest?

#### 9 PLAGUE CHARADES (Application Activity)

In today's story, Pharaoh refused to let the Israelites go so they could worship and follow God. But nothing is too hard for God. God used His power to force Pharaoh into freeing His people. To do that, God sent some powerful plagues.

**Directions:** Print and cut out the charade cards. There are two different kinds of cards for this game: Plague Charade cards and Question cards. Mix the cards together and place them face down in the middle. Choose someone to select one card from the top of the pile. If a Question card is chosen, the person reads it aloud and then answers the question. Then let everyone answer the question. If a Plague Charade card is chosen, the person acts out the plague on the card while the rest of the group guesses which plague they are acting out. When finished, the person who drew the card can choose someone to go next. Continue the game until all of the cards have been used.

#### PRAYER & PRAISE

Have everyone write a prayer of request or praise on a piece of paper. Go around and pray them out loud. Hang them on the fridge or a wall so you can track all week and see how God is answering prayers.
